Initial Coverage:

Copayments listed here are for the first \$5,030 in total prescription costs (member payments + CDPHP payments).
- 2

Coverage Gap:

For all plans, after total prescription costs reach \$5,030, you pay 25% of the plan’s cost for generic drugs and 25% of the plan’s cost for all brand-name drugs.
- 3

Catastrophic Coverage:

Once the gap limit of \$8,000 (total out-of-pocket spending + what was paid on your behalf for brand-name drugs during the coverage gap) is reached, you will pay nothing for all drugs for the rest of 2024.

* Members can receive a 90-day supply through a network retail pharmacy, but it would not qualify for the mail order delivery service discount. The copayment would be three times the 30-day network pharmacy copayment.

All formulary insulin is capped at \$35 per month.

Preferred Retail Locations for Medications

Prescription drug coverage allows you to fill prescriptions at any in-network preferred or standard pharmacy. If you choose to use a preferred pharmacy, you’ll pay nothing for Tier 1 and Tier 2 drugs. **If you use a standard pharmacy, you will have a copay for these medications, and could pay more for other drugs as well.** Check your Summary of Benefits for plan details.

¹ You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor CDPHP will be responsible for the costs.

Please be aware that you can enroll in Medicare plans only at certain times during the year:

- As early as three months before you turn 65 (or when your Medicare Part B is effective), you can join our plan.
- Between October 15 and December 7, anyone who has Medicare Parts A and B and resides in our service area can join our plan for January 2024.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for up to 75 percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact the Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778. Or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, seven days per week. TTY users should call 1-877-486-2048. Or call your state Medicaid office.
